Langtang Helicopter Tour

Your Langtang Helicopter Tour starts from Kathmandu airport, taking you to one of the isolated, wild, and unspoiled places in Nepal inhabited by a few ethnic groups people. The astounding beauty of Langtang valley in the backdrop of mountains like Dorje Lakpa, Langtang Lirung, Ganesh Himal, and other neighboring Langtang ranges will leave you in wonder. Explore the most unique landscape filled with bursting wildlife and diverse flora!

This Tour is an opportunity to visit Kyanjin Gumpa and explore the villages nearby. The views of the mountains during the Langtang Helicopter Tour, along with the rocky and bewildered landscape of the valley are outstanding. You can also get acquainted with the ethnic group people and get some insights into their unique culture, tradition, and lifestyle. Therefore, opt for the easy and elite journey to savor the wild beauty of Lantang valley. Long and hectic trails aren't always the option when there is an easy and comfortable option out there! Give a chance to serve your trip with your travel partner – Attractive Travels and Tours Pvt. Ltd., for an easy and luxurious tour to this region of Nepal with a nice and attractive package of the Langtang Helicopter Tour.
