

Attractive Travels and Tours

Kathmandu and Chitwan National Park 6 Days Tour

Kathmandu is a historically significant place. The Kathmandu and Chitwan tour is an easy and adventurous tour option for all visitors. In this tour, you will visit the historically significant and culturally rich capital city Kathmandu and the exquisite wildlife habitat Chitwan. The best time to visit Kathmandu is between October and December. The weather and the skies are usually bright and the scenes are magnificent. You can also see between March and April as the temperature steadily mounts and spring moves in. Rhododendrons thrive, spreading across the whole valley, giving it a stunning, mesmerizing glimpse.

Kathmandu

During this tour, you will visit historical sites, temples, and courteous areas of Kathmandu. You get to see the Pilgrimage sites of the Hindu temple, Pashupatinath, which is one of the most significant shrines of Shiva temples and is home to thousands of devotees and sadhus. Similarly, you visit Boudhanath, a pilgrimage center that is a trendy and considerable place for Buddhists. Swyambhunath, also known as the monkey temple, sat on the hill in the southwest part of Kathmandu valley. Then you visit Patan Durbar Square and Kathmandu Durbar square, where we encounter many temples, ancient architecture, fine art, and the living goddess KUMARI.

Chitwan

Chitwan is another attractive tourist destination in Nepal where you enjoy wildlife activities. You will get an amazing opportunity to observe an ethnic group of Tharu. You can experience the picturesque Tharu culture and tradition. Their lifestyle and heart-touching cultural dance are the centers of attraction for many people. Chitwan National Park is one of the significant places to visit in Chitwan. It contains several mammals, birds, reptiles, and water animals. You can witness rare one-horn rhinos, various species of deer, sloth bears, leopards, crocodiles, and monkeys, as well as many different species of butterflies, insects & over 450 species of pleasant & endangered birds. The best time to visit Chitwan is from February to May.
