#### **Kathmandu Tour**

The Kathmandu valley tour comprises visits to the World famous sites like Kathmandu Durbar Square, Swoyambhunath, Boudhanath, Bhaktapur Durbar Square, Patan Durbar Square, Pashupatinath, and others that are listed under the World Heritage sites list. And a visit to Nagarkot is a unique experience where the visitors can view mountains and peaks very close to them.

### **Pokhara Tour**

Pokhara is famous for the numerous naturally enriched sites perfect for mountain panoramas and adventure sports. It is also known as the city of lakes, for it has numerous beautiful lakes like Phewa Lake, Begnas Lake, and other more petite yet beautiful lakes. These beautiful lakes are famous for boating and chilling around the lakeside areas.

The different viewpoints, like the World Peace Pagoda and Sarangkot, present the perfect opportunity to observe the majestic snow-capped mountains like Machhapuchhre, Annapurna, Dhaulagiri, and the city itself.

The beautiful lakes and the dense green forests in the beautiful valley of Pokhara are a spectacle that one can enjoy for hours from the vantage points.

Pokhara is also home to several religious places sacred to both Hindus and Buddhists and natural caves like Tal Barahi Temple, [Bindhyabasini Temple](#), Statue of Lord Shiva in Pumdikot, Gupteshwar Mahadev Cave/Temple, the Bat Cave, and Mahendra Cave. In Pokhara, you can experience several adventure activities like paragliding, para-hawking, Zipline, trekking, etc., making it a perfect destination for adventure enthusiasts worldwide.

Pokhara city, situated at the lap of Fishtail Himal, has its beauty which attracts thousands of visitors. This beautiful lake city offers boating, hiking, paragliding, and fishing adventures to visitors, including the exploration of caves and gorges.

### **Chitwan Tour**

In Chitwan, one gets to explore the lush and dense forests of Chitwan National Park on the famous Elephant and jeep safari. The jungle safaris provide the perfect opportunity for bird watching and witnessing the wildest and rarest animals in their natural environments from a very close range.

Tour in Chitwan National Park is full of adventures where jungle safari, elephant safari, bird watching, kayaking, etc., activities are exciting ones.

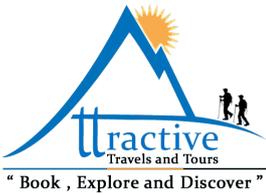

Chitwan National Park offers dense habitat wildlife and natural beauties where you can explore and witness many wild animals such as Royal Bengal Tiger, Leopard, One-horned Rhinoceros, Wild Elephant, Marsh Crocodile, Wild Boar, and Sloth Bear.

You can also observe several species of Deer, including Spotted, Barking Sambar, and Hog Deer. You can find more than 450 species of birds with an exceptional range of floras and faunas.

The best season for tours is usually March-April and October-November, but Kathmandu Pokhara Chitwan tours are also available during February, June, April, May, and December.

## Attractive Travels and Tours

### **What is the Weather & Temperature Like?**

It is based on the season. The temperature in winter (November to February) ranges from about 4 degrees at night to 23 degrees during the day, with the nighttime temperatures being cooler and the daytime temperatures substantially warmer.

However, the weather is always ideal between March and May, with daytime highs of 25 degrees.

It is an excellent time to travel from September to December because the weather cools off after the monsoon. This time of year, the typical temperature is 22 degrees.
