Scenic Mountain Flight / Everest Flight

Scenic Mountain flight / Everest flight is a famous and great experience in and around the world but available only in the country of Mt. Everest, Nepal. We recommend a mountain flight for travelers who want to be in the camera range of the highest peaks in the world. Cruising this close to the awe-inspiring massifs of rock and ice is an out-of-this-world experience. The Everest mountain flight offers the closest possible aerial views of Mt Everest, Kanchenjunga, including many other snow-capped mountains and the Tibetan Plateau.

Scenic Mountain flight / Everest flight is offered by a host of different airline company flight like [Buddha Air](#), [Yeti Airlines](#), Shree Airlines, Simrik Airlines, etc. We have found these to provide the best mountain flight services. Moreover, all the flights leave Kathmandu between 6:30 and 8:30 a.m.

You can enjoy a seemingly endless chain of snow-capped peaks as you fly above the clouds. And you will see the amazing views over glaciers and lakes, rivers, and gorges from your private individual window. Moreover, the clear, non-tinted window offers an excellent opportunity to experience. You will get a photograph of the aerial view of the Kathmandu valley and the landscapes of Nepal.

Trip Highlights:

1. Un-obstructed view of Mt. Everest and many other 8000 meters peaks.
2. Bird's Eye View of Kathmandu Valley
3. Breathtaking Mountain glaciers
4. Photograph the landscapes of Nepal

Flight Duration: 1 hour flight.

Note: Moreover, if the flight will be canceled due to weather or any technical issues from the airlines, either you can reschedule the flight, or your amount will be refunded by deducting the US \$ 15 per person, which is the transportation and administrative cost for the office.
