### Manaslu Round Luxury Trek – 22 Days

Manaslu Round Luxury Trek is considered a classical trek in Nepal which is in between the popular trekking regions Annapurna and Langtang Regions. Manaslu Round Trek is a challenging and fascinating trip with a great Himalayan view. The wilderness trekking trail of Manaslu is open to individual trekkers. Travelling the highland villages of Nepal thrills a trekker to cross over a Larkya La pass which is the tough bit of this trek.

Manaslu is referred to as the “mountain of the soul” and is one of the imminent geographical charismas dominating the historical kingdom of Gorkha. A conical-shaped snowcapped mountain of height 8,156 m above sea level is the major attraction of this trekking package. Locally Manaslu is known as Pungent Ri, whose embodiment is worshipped in a Gompa couple of hundred meters above the village of Sama Goan.

Manaslu Round Trek offers rich culture, adventure, scenic beauty and rudimental rural civilization that represents the ancient Tibetan lifestyle. Due to the newly opened route, this trek enclosing the entire Manaslu massif extends a chance to completely explore the full range of Nepal’s natural and cultural diversity. This trek begins in the historical city of Gorkha. As we head up towards Mt. Manaslu, the trail reveals an unexplored country inhabited by Gurung communities.

During this Manaslu Round trek, the trail ultimately encompasses Mt. Manaslu crossing Larkya Pass (5,213 m) and comes down to the classical route of Annapurna. If you still want more, you can continue trekking Around Annapurna crossing another arduous pass of Throng La (5,416 m); otherwise, you will return to Kathmandu.

It begins at Arughat after 9 hour bus journey from Kathmandu. Manaslu Round Trek route goes along Budi Gandaki River valley and Highlander settlements to cross Larkya Pass (5106 m). This non-touristic, quiet, untouched, geographically fascinating part of the Central Himalayan Region with a hot spring, monastery, nunnery, medicinal plants, wildlife, breathtaking highest mountain views, and fresh air. This challenging route goes through tropical land towards the treeless alpine zone.

Trekkers will explore the diverse land of Nepal with Tibetan Buddhism, Chorten, prayer flags, prayer wheels, mantra practice, and great snow-clad mountains. Manaslu Round Trek continues from medium to a difficult level of walking through the high gorge, river valley, and uphill, downhill path, even at the last beginning part of Annapurna Circuit. Adventure lovers will enjoy this eighth-highest summit Mt. Manaslu 8163 m, with intense colours, changing Budi Gandaki

valley, and marvellous alpine lifestyles.

Former training and even safety rules are required to embark on this Manaslu Circuit trip. This hiking journey is worth exploring the untouched landscape, China border, Tibetan culture, high pass, and hidden valley. This trip required TIMS, both Manaslu and Annapurna Conservation permits, including a minimum of 2 people in a group because of the restricted area of Nepal. March to May and Sept to November are the best time to explore Manaslu Round Luxury Trek.
